OFFICE OF PETITIONS

In re Application of :
Czyszczewski et al. :
Application No. 10/672,234 : **DECISION ON PETITION**
Filed: September 25, 2003 :
Attorney Docket No. BLD920030023US1 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed April 8, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of the Issue Fee Transmittal with payment of the issue and publication fees, (2) the petition fee, and (3) a proper statement of unintentional delay.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3206.

This matter is being referred to the Office of Data Management for processing into a patent.
